

AIMEnet

HIV/AIDS Monitoring and Evaluation Network

AIMEnet, the HIV/AIDS Monitoring and Evaluation Network, is a community of practice moderated by MEASURE Evaluation for members to ask questions and seek advice regarding monitoring and evaluation (M&E) of HIV/AIDS programs.

More than 2,100 members from 100 countries are members of AIMEnet. Members include those from global-level organizations; grassroots, nongovernmental organizations; donor agencies; ministries of health; national AIDS coordinating bodies; research institutions; and universities.

Is AIMEnet Right for You?

1. Do you want to share your best practices in M&E of HIV/AIDS program?
2. Do you want to learn about new ideas and tools in the field?
3. Do you want to announce trainings, workshops and other relevant events?
4. Do you want to be part of a global network that supports dialogue among M&E professionals?
5. Are you looking for experts in M&E of HIV/AIDS programs in your country, region or beyond?
