

Capacity Building Support

Percentage MomConnect Registrations vs. MomConnect Registration Targets
January - December 2016

By the end of 2016, 23 of the 52 districts in South Africa had reached over 70% of their registration targets, compared to 13 in 2015.

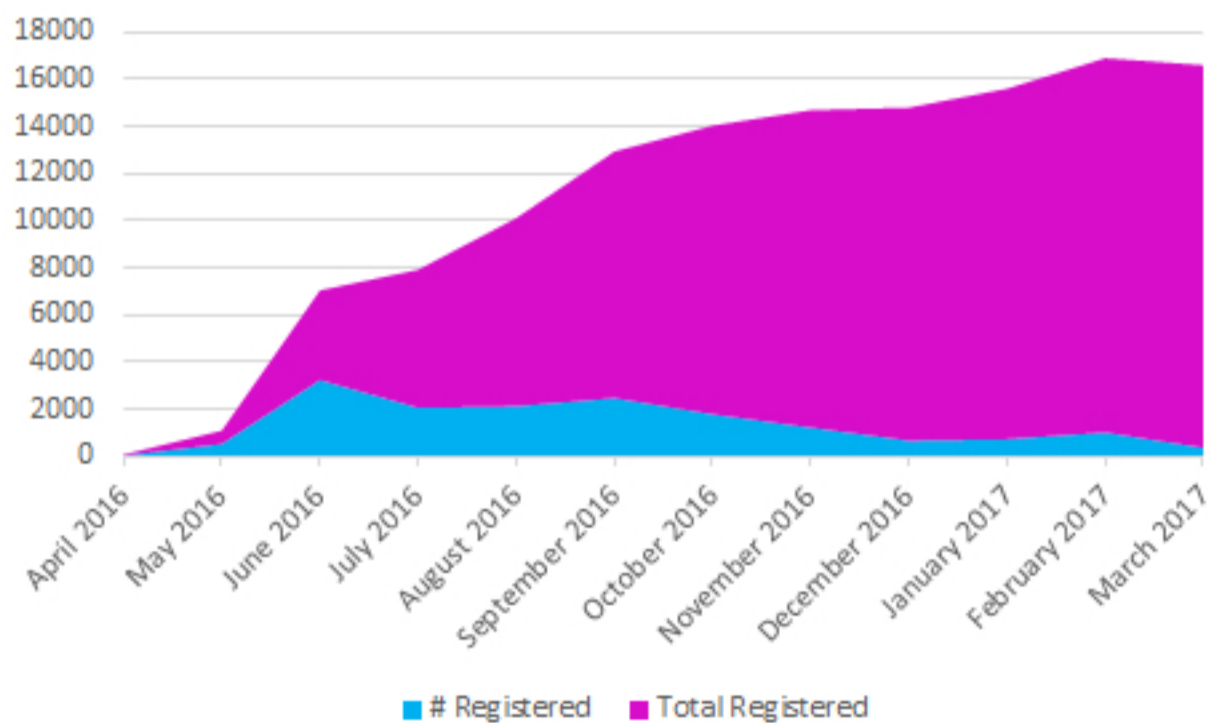

1,000,000 women registered!

2 years into implementation, over 1,000,000 pregnant women have registered in 95% of public health facilities.

NurseConnect is a companion to MomConnect for nurses and midwives.

MEval-SIFSA has been supporting NurseConnect roll-out since its launch in April 2016. Over 16,000 nurses have registered since the launch.

This work has been supported by the U.S. President's Emergency Plan for AIDS Relief (PEPFAR) through the United States Agency for International Development (USAID) under the terms of MEASURE Evaluation-SIFSA associate award AID-674-LA-13-00005. MEASURE Evaluation-SIFSA is implemented by the Carolina Population Center at the University of North Carolina at Chapel Hill, in partnership with ICF International; John Snow, Inc.; Management Sciences for Health; Palladium; and Tulane University. Views expressed in this presentation are not necessarily those of USAID or the United State Government.
